Public reporting burden is estimated to average 50 minutes per response for railroads for their part of this form and 45 minutes for highway users or their representatives for their part of this form. This includes the time for reviewing instructions, searching existing databases, gathering and maintaining the data needed, and completing and reviewing the collection of information. Responses by the railroad are mandatory and responses by highway users or their representatives to this collection of information are voluntary. The information collected is a matter of public record, and no confidentiality is promised to any respondent. Please note that an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2130-0500.
